

Masks on at all times within the makerspace, please.

What you can expect from us

We'll wear our face coverings at all times.

We'll wash our hands frequently.

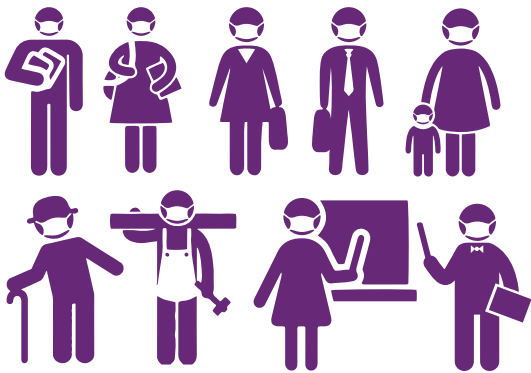

We'll disinfect machines and surfaces several times daily.

Brayton Tolman, one of our senior makerspace leads, is 6'2" tall. We will maintain 1 Brayton away from other makers.

What we ask of you

We ask that all makers wear face coverings at all times. Makers not wearing masks or wearing masks improperly will be asked to leave and return when able to follow these guidelines. If you need a mask, please ask a staff member.

Wash your hands often. At minimum, wash hands when you first enter, and again before you leave.

Please maintain 6 feet (i.e. 1 Brayton) between you and other makers.

Thank you for helping us keep our makers safe!
